## Individuals

### WHITE SPACE *Change Your Life Getaways*

Are you at a turning point?  
Are you wondering 'what now?'

Reflect, recharge and get clear with White Space just like Martha and Brian.

Martha had no clue what to do after her divorce. She decided to take up singing again. Brian wanted to leave corporate life. Instead he sought promotion so he could have the flexibility he wanted.

### Why come to White Space?

- Children have flown the nest
- Significant other has died
- Want career change
- Moving to next chapter in life
- Position has become redundant
- No clarity on next step
- No time or space to get perspective
- Want to get away to think

White Space is a safe space to look at things you may have been putting on the long finger. You will create a checklist for making wise and exciting choices that you can use time and time again. In line with our tradition, the food is fabulous and we have great fun. You will be part of a select group of like-minded people. Choose from 1 to 5 day getaways.

The time is now. White Space is where it's at. Are you ready? Talk to Ann +353 21 4354725

## Organisations

*Inspiration gives you the edge!*

**WHITE SPACE *Inspiration Getaways*** are special events to trigger your people's creativity. Getting them to the root of their inspiration sparks incredible insights and explodes simple ideas into possibility.

Inspiration turned taking photographs into a €100m business for Jerry Kennelly of Stockbyte. The idea of connecting friends expanded into a billion dollar business for Facebook.

## How does White Space work?

White Space will guide your people through a cutting edge process to uncover their patterns of achievement and spark incredible insights; stifled ideas are seen with new eyes, new ideas are set in motion.

We bring your teams away to work without distraction in a challenging and dynamic way.

This is a safe space to strengthen them and give them a fresh start.

We have a select group of hideaways around Ireland to suit your preferred choice of location. Getaways range from 1 to 5 days. We will work within your time frame and budget.

Inspiration gives you the edge. White Space is where it's at. Contact Ann +353 21 4354725
